

TOGETHER NOW FOR A SAFE AND PROSPEROUS FUTURE FOR ALL

The global recognition of the significant, lasting impact that climate change and disasters will have on economic growth, community wellbeing, and related financial and economic systems, is rapidly growing. For companies, big and small, to survive and even prosper in this environment, they need to adapt fast. The uncertainties and transformation brought about by climate change and disasters can be seen as significant risks but also as opportunities.

By connecting a passionate community of business and other public and private partners, ARISE works as a catalyst for business innovation and for knowledge sharing to reduce risk for a sustainable and resilient future. Through its regional and national Networks and links into the global policy discussions on sustainability, climate action and disaster risk reduction, ARISE offers its members the opportunity to demonstrate leadership in cooperating with public partners to reshape business, society and financial frameworks to implement tailor-made solutions for all industries and sectors, leading to take risk-informed decisions, formulate adaptive strategies and implement preventative actions.
